**Mr Stéphane SPEICH, nationality: FR**

After having been graduated at the CEIPI in Strasbourg, M SPEICH became European Patent Attorney, Patent Attorney in Luxembourg, France and Belgium, Patent Assessor in Germany and a European Trademark & Design Attorney. His fields of competences are organic and inorganic chemistry, biochemistry, pharma, medical field and mechanics. Active in IP rights since 1999 among the IP law firm Dennemeyer & Associates S.A., he was Chairman of the “Fédération des Conseils en PI au Luxembourg” during several years, and performs still today the function of treasurer of the AIPPI in Luxembourg as well as the function of EPI tutor at the European level, which consists in helping candidates to pass the European Qualifying Examination (he works about 100 hours per year as EPI Tutor). As a Patent Attorney, he represents Dennemeyer & Associates S.A. at conferences, seminars and workshops. Author of the book « EPC 2000 Guide-Speich » dealing with the European Patent Convention, Stéphane Speich is a known actor in the patent law field. M Speich is a passionate of ultra-trail (mountain running race on a distance superior to 100km in one step, like UTMB, Grand Raid de la Réunion, Marathon des sables etc) and of hand-ball (former sportsman of high-level, former player of a first league club in Strasbourg, six times French champion and selected in the French national team, he also still trains a team of kids in the German city where he lives).

Character: hard-working, active, conscientious, helpful, friendly, positive, organized, calm. Quick learner and always open to new professional or sportive challenges.
